

How You Can Contribute

There are many ways to contribute to the development and operation of an Abbeyfield House on Salt Spring Island.

We've listed our *TOP 3 Ways to Help Grow Abbeyfield on Salt Spring*. We'd like to hear your ideas!

1. Become a member -- a strong membership supports the community-mindedness of our project by providing a resource for ideas, input and liaison to other community efforts. We need our membership to spread the word and engage the community in this worthwhile project.

2. Volunteer your time or services -- volunteers give the Salt Spring Abbeyfield Housing Society a broad range of skills and abilities to support our aims and ensure that events and special projects are effectively executed.

3. Make a Donation or Bequest -- the Salt Spring Abbeyfield Housing Society is a gazetted not-for-profit Agency under the *BC Societies Act* and has a federal charitable tax number. Whether now or in the future, your donation will go directly to the development of a quality Senior's facility on the south end of Salt Spring Island.

For more information about how you can help please contact webafssi@telus.net or call Abbeyfield's Board Chair, Bruce Logan, at 653 4125.
